DC Lane are extremely proud to introduce to the market this elegant Georgian residence within the iconic Grade II listed development 'The Millfields' set within landscaped grounds on the former site of the Royal Naval Hospital. The historic buildings and grounds are surrounded by the original hospital wall which provides a secure gated environment. The peace of mind afforded to residents within The Millfields is exceptional with the 24 hour security gated entrance.

Situated in "The Square" this beautiful limestone fronted townhouse has been exquisitely decorated in rich colours bringing character and warmth to the principal rooms and showcases the wealth of original features, striking the perfect balance between modern and classic. The welcoming hallway opens into a lovely reception room featuring a slate fireplace and could be used as a sitting room, playroom or home office. The living room with further slate fireplace and alcove shelving is tastefully decorated and styled creating a restful and inviting atmosphere – the perfect backdrop for your favourite objet d'art. Period style doors separate the dining room with further alcove shelving and attractive wooden flooring. The superb kitchen features a newly installed bespoke kitchen with an abundance of dark cabinets, island unit and double oven. Natural light floods through the two velux windows and a side door opens into the garden. Underfloor heating is an added benefit in this impressive 'heart of the home.' A bathroom with cast iron bath completes the ground floor accommodation. To the first floor there are three double bedrooms all with period fireplaces and a well appointed shower room with a double shower cubicle and underfloor heating.

Externally, the pretty walled garden is private and secure with a gate leading out to the front where there are three parking spaces adjacent to the property. We believe this splendid property is attractive to families and couples alike and arguably one not to miss!
