DC Lane are delighted to present to the market this mid terraced family home in a great central location and within a short walk of the railway station, University, City Centre and just moments from Central Park.

This is a rare opportunity to acquire a family home that has been partly refurbished that very much sits as a blank canvas allowing the purchaser to put their own individual style on the cosmetic redecoration and further works that the property requires.

The accommodation comprises of entrance porch, entrance hallway, living room with square bay window, open plan kitchen/diner with partly refitted modern kitchen and plentiful space for dining table, three bedrooms (two doubles and single) and the majority of a new bathroom suite has been fitted.

The rear porch could benefit from some remedial work and leads to the rear garden which is mainly laid to lawn and pedestrian gate access.

Neutrally decorated throughout, new boiler, partly new double glazing and no onward chain this light and airy home will appeal to a variety of buyers and a viewing is highly recommended to ascertain the suitability of the property.
